CLASSIC LINE

Universally applicable and suited to every skin type, the classic line from Methode Brigitte Kettner has an **activating, stimulating, intensively regulating effect that can help prevent early signs of aging.**

From classical cleansing and care to special, deep-down problem-solvers for hypersensitive skin prone to reddening and allergic reaction, women and men of every age will find individually active product solutions based on selected constituents to activate the skin's own functions, **strengthen its structure and make the skin barrier more resistant.**

These high-quality, specific active ingredients in combination with effective treatments at the institute guarantee optimum care results and a convincing outcome.

CLASSIC LINE - PURIFYING MILK (1101 | 200 ml)

This cleansing milk removes make up and eliminates impurities, leaving skin perfectly clean and fresh. It provides deep cleansing and an antibacterial effect, while maintaining the skin's equilibrium.

Active ingredients:

Propolis, Salicylic Acid

Skin Types: For impure and oily skin

Gently massage face with moist finger tips in the morning and in the evening.

Wash off with warm water.

An extremely gentle formula that can even be used to remove eye makeup.

CLASSIC LINE - ULTRA GENTLE CLEANSING MILK (1102 | 200 ml)

This creamy cleanser is rich in softening agents to gently and effectively melt away makeup. Infused with nourishing milk-proteins, moisturizers and softeners, this instantly-comforting formula leaves skin feeling clean, silky-soft and soothed.

Active ingredients:

Chamomile Oil, Shea Butter, Bisabolol Oil

Skin Types: For very dry and sensitive skin

Gently massage face with moist finger tips in the morning and in the evening.

Wash off with warm water.

An extremely gentle formula that can even be used to remove eye makeup.

CLASSIC LINE - CLEANSING MILK (1103 | 200 ml)

This creamy cleanser is rich in softening agents to gently and effectively melt away makeup. Leaves skin feeling clean and fresh, soft and supple. Additional anti-bacterial effect.

Active ingredients:

Calendula Oil

Skin Types: For normal and mixed skin

Gently massage face with moist finger tips in the morning and in the evening.

Wash off with warm water.

An extremely gentle formula that can even be used to remove eye makeup.

CLEANSING & MILD PEELING

CLASSIC LINE - ULTRA GENTLE GOMMAGE (1143 | 125 ml)

The Titanium Dioxide and the Salicylic Acid create a gentle, yet effective mechanical exfoliating action that is perfectly adapted to all skin types. Just one single application leaves the skin clean, smooth and toned for a simply radiant complexion.

Active ingredients:

Titanium Dioxide, Natural Vitamin E, Salicylic Acid

Skin Types: Mild but very effective peeling for face and hands

Once or twice a week

Apply thinly to the whole face (also eye area and coupe rose). Peel off lightly with dry finger tips after about 5 min.

CLEANSING & TONING

CLASSIC LINE - DEEP CLEANSING GEL (1104 | 125 ml)

This cleansing gel cleanses, removes make up and eliminates impurities, leaving skin perfectly clean and fresh. It provides deep cleansing, while maintaining the skin's equilibrium.

Active ingredients:

Lecithin, Panthenol, Allantoin

Skin Types: For big pores, impure skin

Apply with fingertips, emulsify and remove with warm water in the morning and in the evening.

CLASSIC LINE - PURIFYING LOTION (1106 | 200 ml)

Refreshing, anti-bacterial and disinfecting effects.

Active ingredients:

Propolis, Wild pansy

Skin Types: For oily and problem skin

After the cleansing milk, apply with fingertips.

CLASSIC LINE - ULTRA GENTLE LOTION (1107 | 200 ml)

Refreshing effect soft to the skin

Active ingredients:

Panthenol, Liquorice extract, Bisabolol Oil

Skin Types: For dry and sensitive skin

After the cleansing milk, apply with fingertips.

CLASSIC LINE - CLARIFYING LOTION (1108 | 200 ml)

Refreshing, soothing effect

Active ingredients:

Calendula Oil, Panthenol

Skin Types: For oily and problem skin

After the cleansing milk, apply with fingertips.

CLASSIC LINE - ANTI BLEMISH CREAM (1110 | 50 ml)

Bisobolol, Vitamin E and Panthenol, known for their hydrating properties, help to moisturize and soften the skin, while Lichen extract, Canola oil and Salicylic Acid, known for their anti-inflammatory and healing properties, help to calm and soothe. It helps prevent new impurities.

Active ingredients:

Bisobolol, Lichen Extrakt (usnea barbata), Canola Oil, Salicylic Acid, Vitamin E, Panthenol

Skin Types: For oily and impure skin

Apply to the cleaned skin in the morning and the evening.

CLASSIC LINE - ULTRA PURIFYING CREAM (1111 | 50 ml)

A pure caress for oily skin, leaving it perfectly hydrated all day by targeting only those areas where hydration is needed. Leaves skin feeling fresh.

Active ingredients:

Avocado Oil , Wild Pansy, Konnyaku ®, Salicylic Acid

Skin Types: For mixed, oily and impure skin

Apply to the cleaned skin in the morning and the evening.

CLASSIC LINE - HYDRATING CREAM (1112 | 50 ml)

The delicious texture melts into the skin. It intensely moisturizes and lastingly soothes the skin, leaving it soft, smooth and radiant (even sensitive skin). It protects the skin against pollution.

Active ingredients:

Panthenol, Vitamin E & B6, Jojoba Oil, Konnyaku ®, Mango Core Butter, Coconut Oil, Aquaxyl

Skin Types: For dry to normal skin types

Apply to the cleaned skin in the morning and evening.

Ideal for men... Especially after shaving

CLASSIC LINE - CALMING CREAM (1115 | 50 ml)

This cream was developed to counteract thread veins. Soothes and regenerates the skin with selected natural substances. Hyaluronic acid and a special blend of different oils provide the skin with long-term hydration.

Active ingredients:

Shea Butter, Panthenol, Bisabolol Oil, Hyaluronic Acid, Borage Oil, Sicaire, UVB-Filters, Vitamin E, St. John's Wort Oil (Hypericum oil)

Skin Types: For dry and sensitive skin (couperose, reddened skin)

Apply to the cleaned skin in the morning and the evening.

CLASSIC LINE - RASSODEN CREAM (1116 | 50 ml)

Firms the skin instantly, maintains suppleness and elasticity of the skin, seals and boosts moisture.

Active ingredients:

Joboba Oil, Dextro hydrated Lactic Acid, Avocado Oil, Derivative Corn Oil, Vitamin E, Shea Butter

Skin Types: For mature skin and lack of skin tone.

Apply to the cleaned skin in the morning and the evening.

CLASSIC LINE - HYDRO GEL (1402 | 50 ml)

Its liposomes are tiny enough to penetrate the epidermis. Hydro gel boosts hydration with lasting effect and gives the skin a firm, youthful appearance. The liposome gel seals and restores moisture in the skin by forming a transparent film.

Excellent day care and make up base.

Active ingredients:

Nanosome, Hyaluronic Acid, Panthenol

Skin Types: For all skin types - Especially dehydrated skin. Apply to the cleaned skin in the morning and evening.

CLASSIC LINE - REVITALIZING CREAM (1118 | 50 ml)

This gel-cream formula on liposome base has a double smoothing and rejuvenating effect. It is specifically adapted to the needs of normal to mixed skin displaying the first signs of ageing. Its main active agents visibly help improve the skin's texture, tone and elasticity. Pores are tightened and smoothed for a truly radiant complexion.

Active ingredients:

Liposome, Shea Butter, Jojoba Oil, Vitamin A & E , Calendula Extract, Hyaluronic Acid, UVB-Filters, Hydroxyprolin Complex, Panthenol

Skin Types: For normal and mixed skin

Applied in the morning after cleansing, it revitalizes the skin and is an ideal make-up base. For men, is an ideal after shave.

PRE PEEL FORTE CREAM

After the first application we guarantee visible results! crème pré-peel forte is a product for various problems and occasions.

Crème pré peel forte - activates the blood circulation - you can see after only 2 to 3 minutes. After just one treatment the skin is visibly firmer and the complexion is clearer. This result remains, depending on the person and skin type, between 12 and 24 hours.

Therefore, it is recommendable as:

- mask for special occasions
 - soft peeling at home
 - product to regenerate and firm the body
 - care after an acne treatment
-

CLASSIC LINE - PRE PEEL FORTE CREAM (1405 | 50 ml)

This gel-cream formula on liposome base has a double smoothing and rejuvenating effect. It is specifically adapted to the needs of normal to mixed skin displaying the first signs of ageing. Its main active agents visibly help improve the skin's texture, tone and elasticity: Pores are tightened and smoothed for a truly radiant complexion.

Active ingredients:

Tepescohuite, Salicylic Acid, Konnyaku® , Wild Pansy Extract, Silicium, Blood Circulation Factor

Skin Types: For all skin types

You will get the best results, if you first purify your face with gommage intensive. Then you apply cream pre peel forte and leave it for about 20 minutes before you wash it off with warm water.

In the following 30 minutes your skin will redden visibly. Using the cream several days in succession it causes a slight peel, which leads to an optimal skin regeneration.

SPECIAL CREAM

CLASSIC LINE - NOURISHING CREAM (1121 | 30 ml)

This cream is rich in Shea Butter. It has strong soothing and nourishing properties. Protects the skin against harmful UV rays.

Active ingredients:

Shea Butter, Jojoba Oil, Zinc Oxide, Vitamin E

Skin Types: For hypersensitive and mature skin

Can be used as a treatment to soothe hypersensitive and allergic skin. It also regenerates damaged skin.

Perfect care for lips... (it protects against UV rays and coldness.)

FACE MASKS

CLASSIC LINE - NOURISHING MASK (1133 | 50 ml)

This ultra-creamy mask provides optimal nutrition and hydration to leave skin feeling soft, supple and smooth. It helps to diminish the appearance of dry lines.

Active ingredients:

Panthenol, Chamomile Oil, Titanium Dioxide, Vitamin E, Konnyaku ®

Skin Types: For normal to dry skin

Apply to the face after cleansing twice or 3 times weekly. Leave for 20 minutes, then rinse off with warm water. Leaves skin feeling soft.

CLASSIC LINE - BALANCING MASK (1134 | 50 ml)

A mask to prevent inflammation with an antibacterial and soothing effect.

Active ingredients:

Titanium Dioxide, Shea Butter, Propolis Extract, Panthenol, Vitamin B6 & E

Skin Types: For normal to greasy skin

Apply to the face after cleansing twice or three times weekly. Leave 20 minutes, then rinse off with warm water.

CLASSIC LINE - ZINC REPAIR CREAM (1149 | 30 ml)

An effective repair and healing cream, which is able to soothe various irritations. It regenerates damaged skin.

Active ingredients:

Zinc oxide, Siliziumdioxid, Vitamin E, Tepescohuite Extract (Mimosa Tenuiflora), Allantoin, Shea Butter

Skin Types: For protection against irritation of the skin, sensitivity to cold, rough and dry skin

Smooths and controls the eye area, even if premature aging has already set in.

It can be applied several times a day to affected areas - face, lips, hands, body.

CLASSIC LINE - KONNYAKU COCENTRATE (1162 | 15 ml)

It reactivates collagen synthesis to correct wrinkles, restore the integrity of your skin and leave it visibly smoother.

Active ingredients:

Vitamin C, Konnyaku ®, Esculin

Skin Types: For mature skin

To be applied daily as a basis under the usual day and night care.

CLASSIC LINE - SICAIRE CONCENTRATE (1164 | 15 ml)

A special plant concentrate for reddened skin. It has a soothing effect and stimulates the blood flow.

Active ingredients:

Saponine Extract

Skin Types: For mature skin

Apply in the morning and at night.

SPECIAL PRODUCT - EYE

CLASSIC LINE - EYE CONTOUR CREAM (1140 | 15 ml)

This ultra-silky, penetrating cream, specifically formulated for use around the delicate eye area, helps to strengthen the epidermis and makes it denser to correct the visible signs of ageing: bags, loss of firmness and wrinkles. With continued use, this fortifying cream leaves eyes looking younger.

Active ingredients:

Jobaba Oil, Panthenol, Hyaluronic Acid, Macadamia Nut Oil, Bisabolol, Liposome, Vitamin E, Hydroxyprolin Complex, Allantoin, Schizophyllan

Skin Types: For all skin types

Smoothes and controls the eye area, even if premature aging has already set in.

Apply around the contours of the eyes in the morning and evening.

CLASSIC LINE - DRAINACTIVE EYE FLUID (1146 | 15 ml)

The action of this liposome gel is achieved by a draining effect. Puffiness and dark circles are reduced. Lines around the eyes are smoothed away and eyelids filtered. Your eyes sparkle with visible youthfulness!

Active ingredients:

Jobaba Oil, Liposome, Hyaluronic Acid, Panthenol, Vitamin A, Calcium Complex

Skin Types: For the sensitive and stressed eye area

Apply around the contours of the eyes in the morning and evening. Repeat several times a day in case of puffiness or irritations.

SPECIAL PRODUCT - NECK

CLASSIC LINE - FIRMING NECK CREAM (1141 | 50 ml)

This special-silky, penetrating cream has a firming effect on the neck area, even where premature ageing has already set in. With continued use this fortifying cream leaves the neck area looking younger.

Active ingredients:

Avocado Oil, Bisabolol, Panthenol, Vitamin E, Konnyaku ®, Esculin

Skin Types: For mature skin

Apply to the whole neck area in the morning and evening. Application to the cleavage is also recommended.

CONCENTRATE

CLASSIC LINE - AQUASOME SKIN REPAIR LOTION (1406 | 30 ml)

This remarkable restorative fluid helps sensitive skin and extreme sensitive skin feel at ease. Exclusive liposome and a special lecithin extract restore missing lipids, repairing the moisture barrier.

Without preservatives the best skin benefits can be achieved.

Active ingredients:

Liposome, Pure Extract of Soy Lecithin

Skin Types: For extremely sensitive skin

Spray aquasome skin repair on the inside of your palms and apply evenly on the skin.

PROFESSIONAL

CLASSIC LINE - GEL VISAGE (1145 | 75 ml)

Disinfection and preparation for further treatment.

Active ingredients:

Hyaluronic acid, Menthol, Lemon Oil, Eucalyptus Oil, Omega CH Activator

Skin Types: For all skin type

Apply after removing the impurities.

OLIGO ELEMENTS

CLASSIC LINE - OLIGO ELEMENT VITALIZING (1374 | 30 ml)

O. E. 30

Active ingredients:

Liposome, Manganese, Night Candle Oil, Schizophyllan, Jojoba Oil , Vitamin E, Squalen, Hyaluronic Acid, Panthenol

Skin Types: For dehydrated skin

CLASSIC LINE - OLIGO SOOTHING (1374 | 30 ml)

O. E. 40

Active ingredients:

Liposome, Manganese, Cobalt, St. John Wort, Bisabolol, Maise Extract, Vitamin E, Panthenol, Hyaluronic Acid

Skin Types: For sensitive skin

CLASSIC LINE - BALANCING (1375 | 30 ml)

O. E. 50

Active ingredients:

Liposome, Copper, Zinc, Lactic Acid Derivative, Squalen, Vitamin E, Hyaluronic Acid, Zinc PCA

Skin Types: For impure skin

CLASSIC LINE - OLIGO ACTIVATING (1376 | 30 ml)

O. E. 60

Active ingredients:

Liposome, Copper, Silicium, Manganese, Zinc, Jojoba Oil, Vitamin E, Pantenol, Hyaluronic Acid, Aquaxyl

Skin Types: For mature skin

LIFT LINE

Used in combination, natural, plant-based isoflavones (phytohormones) and specially produced, naturally occurring collagen and elastin building blocks firm, **sculpt and regenerate the skin, causing first signs of premature skin aging to disappear.**

Maximum effect on the basis of naturally active ingredients – used regularly, Lift Line gives your skin a real glow, making it look healthier and younger – and **taking years off your appearance!**

LIFT LINE

BETTER AGING

CONCENTRATE

LIFT LINE - SKIN SPLASH LOTION (1480 | 30 ml)

This lotion of liposome helps your skin naturally rush fresh skin cells to its surface. Gives skin an even tone. Skin splash actively shields skin from the various assaults of the environment - to help prevent lines before they appear.

Active ingredients:

Liposomes, Vitamin E & H (Biotin), Hyaluronic Acid, Jojoba Oil, Panthenol, Coenzyme Q10

Skin Types: For all skin types

Apply to the clean face. Can also be used for the body.

LIFT - HYDRACTIVE CONCENTRATE (1481 | 30 ml)

Ultra-concentrated and enriched with sesame protein and konnyaku®, its fresh texture reinforces an instant lifting effect. The active agents restore the structure of the dermis by stimulating the synthesis of collagen (firmness, elasticity) and plump up the skin's support mattress, firm the skin and reduce wrinkles. Your facial contours look redefined and seem to regain their natural curvature in an instant.

Active ingredients:

Proteins of Sesame, Konnyaku ®

Skin Types: For all skin types

Apply in the morning and in the evening after skin splash.

FACE CREAM

LIFT LINE - MATRICARE CREAM (1482 | 50 ml)

The active agents restore the structure of the dermis by stimulating the synthesis of collagen (firmness, elasticity) and plump up the skin's support mattress, firm the skin and reduce wrinkles. Your face sparkles with visible youthfulness!

Active ingredients:

Vitamin A – Palmitate, Pentapeptide, Moisturizer, Night Candle Oil, Vitamin E, UVA Filters, UVB Filters, Shea Butter, Bisabolol

Skin Types: Anti Aging

Apply to the face after cleansing in the morning.

LIFT LINE - TONIGHT CREAM (1485 | 50 ml)

Special lipids and natural amino acids reactivate collagen synthesis and the cell metabolism to correct wrinkles, restore the structure of your skin and leave it visibly smoother.

Active ingredients:

Myrrer Oleoresin Extract, Centella Asiatica, Hyaluronic Acid, Hydroxyproline Complex, Jojoba Oil, Panthenol, Squalen, Vitamin E

Skin Types: Anti Aging

Apply in the evening after a concentrate.

FACE MASKS

LIFT LINE - DRAINACTIVE MASK (1484 | 50 ml)

A mask with a strong lifting effect and for an instant healthy glow. The active substances combat free radicals, possess anti-inflammatory effect, improve drainage.

It firms the skin, smoothes fine lines and provides a shaping effect for the face. Your skin looks "ironed out" in the blink of an eye. - an immediate sensation of freshness!

Active ingredients:

Esculin, Caffeine, Centella Asiatica

Skin Types: Mature and dry skin

Use drainactive mask 2-3 times per week. Apply a thin layer on the face, then on the neck avoiding eye areas. Leave it for about 20 minutes. Rinse off with warm water.

Some tingling effect and warming of the skin may be experienced.

LIFT LINE - ICE FOR EYES MASK (1483 | 15 ml)

Skin's own enzymes split, which develops a cooling effect. Wrinkles and fine lines in the corners of the eyes are smoothed. Puffiness is reduced and dark circles visibly diminished. The expression looks relaxed: younger, fresher and more radiant.

Active ingredients:

Menthol Ester, Shea Butter, Vitamin E, Bisabolol, Titanium Dioxide, Jojoba Oil, Sun Hat Extract Panthenol

Skin Types: For all skins, even sensitive.

Apply ice for eyes around the eyes. The cooling effect begins after approximately 3 minutes, intensifies for 5 minutes and is very pleasant for the further twenty minutes. Rinse off with warm water.

LIFT LINE - SKINFLOWER CONCENTRATE ANTI AGING (1487 | 30 ml)

This concentrate with isoflavones - provides the cells with moisture, regenerates the skin and restores their resistance. The special agents reduce the negative effects of stress, pollution and natural skin ageing.

Active ingredients:

Pentapeptide, Jojoba Oil, Phyto Sterins, Stanols and Sterols of Colza (phyto hormones), Hydroxyprolin Complex, Squalen

Skin Types: Anti Aging

Helps against wrinkles,

Apply daily before face cream.

LIFT LINE - SKINFLOWER CONCENTRATE SENSITIVE (1488 | 30 ml)

Concentrate with isoflavone – restores the sensitive and hyper sensitive skin. It reactivates and stimulates the repair mechanisms and equilibrates the skin.

Active ingredients:

Jojoba Oil, Plant Sterins, Stanols and Sterols of Colza (phyto hormones) , Squalen , Vitamin E, Avocado Extract, Ceramide

Skin Types: Sensitive skin

Against sensitive and hypersensitive skin,

Apply daily before the face cream.

This revolutionary skin care series includes two of the most powerful peptides that bioscience has to offer : Pentapeptides and Argireline.

The exclusive, highly effective skin care products **visibly reduce expression lines**. The unique active complex of Argireline, Pentapeptide (Microcollagen) and Hydroxyprolin Complex releases microtensions in the skin, **smoothes expression lines and visibly reduces the depth of fine lines and wrinkles. The result: the skin regains its youthful appearance.** It penetrates the various epidermal layers, boosts collagen and elastin synthesis. Closely follow the instructions to get amazing results!

ULTIMATE LINE

EXCLUSIVE AND
HIGHLY EFFECTIVE

ULTIMATE SOLUTIONS - SKIN RECHARGE CREAM (1383 | 50 ml)

This cream with Argireline and Matrixyl peptides has the unique ability to stimulate collagen production, allowing your skin to regain lost vitality and slow the onset of further signs of aging. It supports the structure of our skin, making it firm and resilient.

Active ingredients:

Argireline, Coenzyme Q10, Jojoba Oil, Vitamin E, A, C, Panthenol, Matrixyl, Hydroxyprolin Complex, Zinc-PCA, Hyaluronic Acid, Liposome, Canola oil, Chromabright

Skin Types: Mature skin

It can be used after skin recharge concentrate.

Apply to the cleaned skin in the morning and evening.

ULTIMATE SOLUTIONS - SKIN RECHARGE MASK (1384 | 50 ml)

This unique mask smoothes out wrinkles and fine lines, restores moisture levels and hydrates skin. Pullan, the powerful ingredient provides an immediate effect.

Active ingredients:

Argireline, Coenzyme Q10, Jojoba oil, Vitamin E, A, C, Panthenol, Matrixyl, Hydroxyprolin complex, Zinc PCA, Hyaluronic Acid, Canola Oil, Titanium Dioxide, Aquaxyl, Pullan

Skin Types: All skin types

Apply to the cleaned skin during the night.

ULTIMATE SOLUTIONS - SKIN RECHARGE CONCENTRATE (1385 | 30 ml)

Argireline and the combination of special ingredients effectively reduce the depth of fine lines and wrinkles and prevent apparent skin aging by inhibiting the contraction of neuro-transmitters that cause repeated movements of the facial expression muscles promoting the appearance of smooth skin especially in the forehead, mouth and around the eyes.

Active ingredients:

Argireline, Coenzyme Q10, Jojoba oil, Vitamin E, A, C, Panthenol, Matrixyl, Hydroxyprolin Complex, Zinc-PCA, Hyaluronic Acid, Liposome, Unsoapable of Olive Oil, Aquaxyl, Chromabright

Skin Types: Mature skin

It can be used before skin recharge cream.

Apply to the cleaned skin in the morning and evening.

ULTIMATE SOLUTIONS - SKIN RECHARGE COMPLEX (1386 | 50 ml)

Skin recharge complex's genetic stimulator works along the entire chain of natural moisture factors. The stimulator turns on two genes in the human body and in so doing conveys the information to the skin to produce more glycerin, which in turn will prompt the production of special enzymes. These enzymes will stimulate synthesis of keratinocytes and in doing so contribute to the structural function of the epidermis. Enzymes and amino acids support the body's own collagen production.

Active ingredients:

Genetic stimulator (Myristyl Malate Phosphonic Acid), Matrixyl, Jojoba oil, Canola oil, Rosehip oil, Vitamin A,C and E, Ubiquinone (Q10), Panthenol, Hydroxyprolin Complex, Zinc-PC A.

Skin Types: Mature skin

It can be used after concentrate skin recharge.

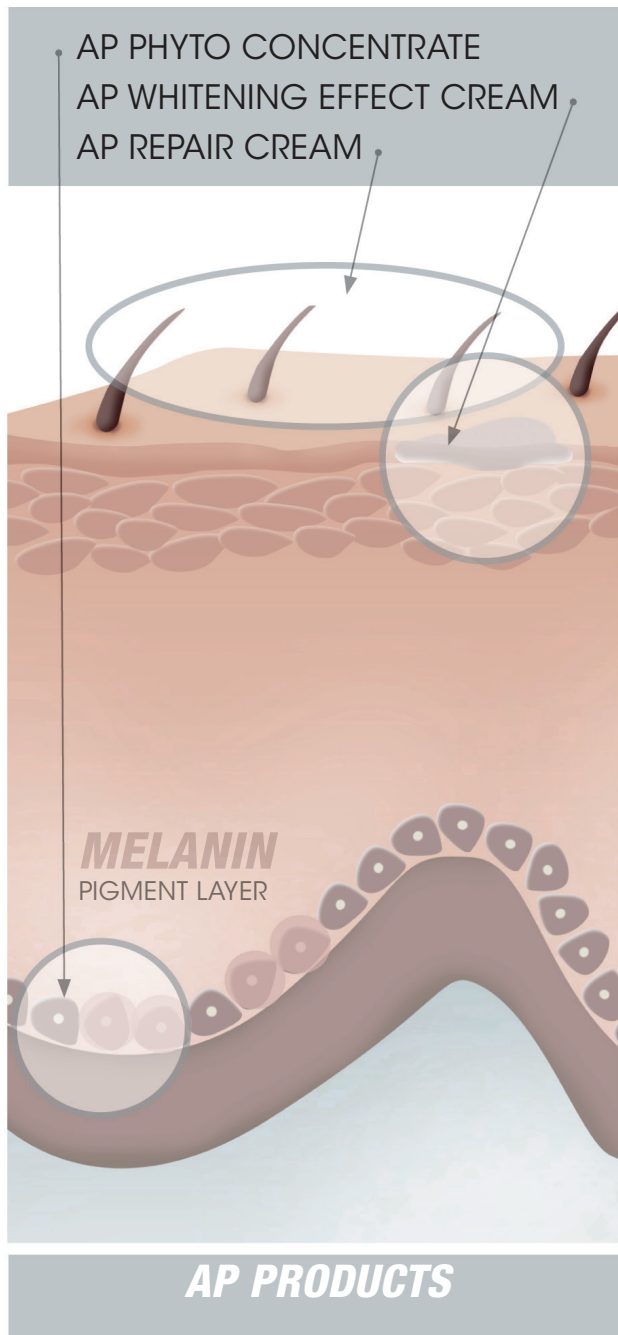

Apply to the cleaned skin in the morning and evening.

AP LINE

Enjoy the sun without a care! The ap line from Methode Brigitte Kettner is an elegant synthesis of ultramodern technology and natural, high-quality plant extracts. **An ideal solution for hyperpigmented, environmentally stressed and sun-damaged skin.**

The products lighten up existing pigmentation marks gently but effectively – and at the same time prevent new pigmentation marks from occurring. Used regularly, **it can “repair” cell damage and provide ideal protection for the skin against free radicals*.**

AP LINE - REPAIR CREAM (1407 | 50 ml)

A blend of main active agents and UV filters protects the skin against the damaging effects of sun exposure, thus preventing the appearance of pigmentation spots. It also protects the skin against pollution.

Active ingredients:

UVA Filters, UVB Filters, natural Vitamin E, natural Lecithin, Vitamin A, Panthenol, Hyaluronic Acid, Sheabutter, Lactic Acid Derivates

Skin Types: Dry to normal skin type

This cream is an ideal day and restoring cream against pigmentation and signs of premature aging.

AP LINE - WHITENING EFFECT CREAM (1409 | 50 ml)

This whitening cream works quickly and produces a lightening of the skin – also to be used against strong pigment disturbances and reddening of the skin.

Active ingredients:

Liquorice Extract, Panthenol, Sheabutter, Titanium Dioxide, Vitamin E, Lactic Acid Derivative

Skin Types: All skin types

Apply on skin spots for whitening.

AP LINE - PHYTO CONCENTRATE (1411 | 30 ml)

Best product against dark spots.

A pure, efficient concentrate designed to visibly diminish brown spots and restore radiance. Smoothing agents gently eliminate melanin and dead cells on the skin's surface to restore the skin's clarity.

Active ingredients:

Liquorice Extract, pure Vitamin C, Glicolic Acid

Skin Types: All skin types- Especially for skin with pigmentation.

After cleansing skin with cleansing milk and lotion use phyto ap.

Leave a sufficient time before using ap-cream blanc and ap-cream repair.

Should not be used in the eye area.

Innovative skin renewal system

Professional - without damaging the skin

- reactivates collagen synthesis and restores the collagen in the skin
- helps to improve the skin texture
- get a skin renewal without pain – and a fantastic regeneration of the dermal tissue
- smoothens wrinkles and crow's feet
- stores the moisture in and on the skin
- activates the metabolism of the cells
- purifies the skin
- anti-bacterial effect
- whitening effect against pigmentation
- flattens scars

The Skin renewal system makes possible what has previously only been achievable with plastic surgery, namely a fresh, healthy, firm and fine-pored skin. Regenerates the skin and treats wrinkles, premature ageing, loss of elasticity, skin with poor circulation and sun damaged skin. Effective against acne blemishes, scars, impure skin, pigmentation marks and discolouring.

SKINNOVATION - COLLAGEN PLUS* (30 ml)

Decreases the ph-value of the skin and reactivates the collagen synthesis and restores the collagen in the skin. It smoothes wrinkles and improves the skin's appearance and texture. The moisture level will be improved and other products will penetrate easier into the skin.

Active ingredients:

Ascorbic Acid, Aquaxyl, Esculin Glycolic Acid, Konnyaku®

Skin Types: For all skin types.

Special Product for professional use only.

SKINNOVATION - VITAMIN C PLUS* (30 ml)

Decreases the ph-value of the skin and regulates the production of sebum. It improves problems of the skin and repairs stressed skin. The immune system is getting stronger and fine lines are appearing smoother. It creates a depot in the skin and helps penetration of other ingredients and products.

Active ingredients:

Ascorbic Acid, Glycolic Acid, Rooibus Extract, Vitamin E, Squalen

Skin Types: For all skin types.

Special Product for professional use only.

SKINNOVATION - REVISKIN PLUS* (50 ML)

Decreases the ph-value of the skin and has a ceralytic effect. It removes parts of the horny skin (epidermis) and also parts of the second layer (dermis). This is leading to a regeneration of the epidermis and new dermal tissue will be formed. Reviskin plus will activate the cell metabolism and promote the moisture restoration. The skin is getting more volume – like a pillow and fine wrinkles and fine lines appear smoother. It has an antibacterial effect and reduces pigmentation (whitening effect) This special product helps other ingredients penetrate easier into the skin.

Active ingredients:

Lactic Acid, Glycolic Acid, Rooibus-Extract, Salicylic Acid, Squalen

Skin Types: For all skin types.

Special Product for professional use only.
